

HOMEOPATHIC STARTER KIT FOR CHILDREN
Claire O'Brien, Registered Homeopath Tel: 01423 503103

| | |
|---------------------|--|
| Teething | Chamomilla 30c – inconsolable and angry child |
| Trapped wind | Magnesium phos 30c – baby doubles up in pain |
| Nappy rash | Calendula 30c and Calendula cream – soothing and antiseptic |
| Earache | Pulsatilla 30c – clingy child, greenish discharge from ear |
| Fever | Aconite 30c – sudden fevers after getting chilled Belladonna 30c – very high temperatures with a red face and glassy eyes Gelsemium 30c – slow fevers with chills, bone pain and fatigue |
| Coughs | Bryonia 30c – miserable & cold. Irritable, better for keeping still Pulsatilla 30c – plenty of yellow/green mucous; clingy and upset |
| Vomiting | Nux Vomica 30c – bilious and bad tempered Arsenicum album 30c – after bad food, with diarrhoea & restlessness |
| Bumps | Arnica 30c – for bruises, also for shock & exhaustion |
